

ULTIMATE POWER IN 4X4

RV 5500

VORTEX™ PRO 4WD

1 PATENTED CYCLONE SUCTION

Zodiac® engineers have created the first **cyclone suction** pool cleaners. The high-power vortex inside the filter keeps debris in suspension, thereby preventing the filter from blocking and **maintaining cleaning performance**.

2 THE ALL-TERRAIN CLEANER

The RV 5500 is equipped with 4-wheel drive, giving it **perfect grip** on the walls. It is suitable for **all types of surfaces** and **more easily overcomes obstacles**.

3 LIGHTER WHEN REMOVING FROM WATER: PATENTED LIFT SYSTEM

Thanks to **Lift System** technology, it is now easy to remove your cleaner from the pool. A powerful waterjet is activated when the cleaner is removed from the water, making it **lighter to carry**.
