

NEW  
**2017**ACTIVE BRUSHING  
FOR DEEP CLEANING**MX9**

MX™

**1 TURBO SUCTION**

The MX9 turbo suction system uses a **powerful turbine and two edge suction propellers** that **channel all dirt and debris into the mouth of the cleaner**. It guarantees ultra-efficient cleaning, even with a low flow.

**2 CYCLONIC BRUSHING**

With cyclonic brushing technology, it can **remove dirt that is stuck to the pool before sucking it up**. The robot's active brushes mean it can **remove all types of debris**, including stubborn algae that stick to the pool floor and sides.

**3 METHODICAL CLEANING**

With its pre-programmed X-Drive navigation system, **the MX9 methodically moves over all the areas to be cleaned**, and ensures **unbeatable coverage**, whatever your pool's shape or size.

## SPECIFICATIONS

### Convertible suction inlet

Convertible debris suction inlet:  
for large or small debris.

## FOR WHICH TYPE OF POOLS?

**1 FOR IN-GROUND AND ABOVE-GROUND POOLS WITH RIGID WALLS**

**2 FOR ALL POOL SHAPES UP TO 12 X 6 M**

**3 FLAT FLOOR, GENTLE SLOPE AND VARYING SLOPE**

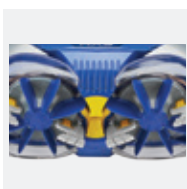

**5 CLEANS FLOOR AND WALLS**

## TECHNICAL INFORMATION

Hose length	12 sections, each 1 m long
Size of cleaner (L x W x H)	41 x 19 x 22 cm
Packaging dimensions (L x W x H)	102 x 23 x 37 cm
Cleaner weight (head)	3.2 kg (packaged weight: 9.5 kg)
Filtration capacity	Filtration circuit
Cleaned width	36 cm
Filtration pump minimum required power	3/4 HP
Speed of movement	8 m/min

## STANDARD FEATURES

Cyclonic cleaning brushes

Twist Lock hose

Conical adaptor

45° extended rotating elbow

45° elbow

Flow regulator (cleaner)

Automatic flow rate adjustment valve (skimmer)

## AVAILABLE ACCESSORIES

Winter bag for pipes  
Set of 6 x 1m Twist Lock pipe sections

Hydraulic cleaners are easily installed on the swimming pool filtration system, using power from its pump to operate. They capture debris by suction, storing it in the pump pre-filter. They are perfect for small pools with flat floors or gentle slopes and are the ideal solution for above-ground pools.
